49 BOOK REVIEWS

COVER: Regardless of the advantages afforded by today's technology, success in combat ultimately boils down to the infantryman relentlessly seeking out his enemy. This cover is based on a 1968 photograph of a radiotelephone operator and other soldiers in the Mekong Delta negotiating a log footbridge during operations of the U.S. 9th Infantry Division.

• **INFANTRY** (ISSN: 0019-9532) is an Army professional bulletin prepared for bimonthly publication by the U.S. Army Infantry School at Building 4, Fort Benning, Georgia. • Although it contains professional information for the infantryman, the content does not necessarily reflect the official Army position and does not supersede any information presented in other official Army publications. • Unless otherwise stated, the views herein are those of the authors and not necessarily those of the Department of Defense or any element of it. • Official distribution is to infantry and infantry-related units and to appropriate staff agencies and service schools. • Direct communication concerning editorial policies and subscription rates is authorized to Editor, INFANTRY, P.O.
